

A great way to give back during the holidays is to support our youth in events that promote discipline, dedication, hard work, and drive. This is an opportunity to support our Georgia 4-H and FFA swine exhibitors at the **2022 Jingle Bell Rockout to be held December 10, 2022 at the Jackson County Agricultural Facility**. All proceeds go towards the awards and payouts for the hardworking exhibitors. You will be announced on social media, throughout the show, and displayed at the show.

Please let us know which you would like to sponsor for our show.
